The CYGF "At-Risk Youth" Golf Day

When: Thursday June 16, 2011

Time: 10 am until 4pm

Where: Coppinwood Golf Club

The purpose of the day is to introduce 8 teens from the ECCI SHSM program to the game of Golf and, as importantly...introduce them to the "Industry" of Golf. This will be the first in a series of events that will be run across Canada in an effort to grow the game through the education of our Youth. The day will be hosted by Ashley Chinner (1996 Canadian PGA Champion); Ryan Cooney (long time member of the CPGA and currently a professor at Humber College) and Officer's from 55 Division, Toronto Police Services.

- The day starts with a light breakfast at the beautiful Coppinwood Golf Club in Uxbridge;
- Further to that we will take a tour of the facility starting with the Clubhouse; professional shop; Maintenance facility and finally the golf course;
- The kid's will be introduced to the game on Coppinwood's "world-class" practice facility;
- Lunch will be served and the day will end with a friendly, competitive round of golf on Coppinwood's short course.

Yours truly,

The Canadian Youth Golf foundation
