

FOR IMMEDIATE RELEASE

Attention Business Editors:

Signature Risk Partners Inc Announces SMS Notifications for Insurance Brokers.

TORONTO, CANADA - March 27, 2018 - Signature Risk Partners Inc., one of Canada's leading non-broker owned MGA's, is pleased to announce the launch of a new SMS Notification Program for our insurance Broker partners.

Signature's SMS Notifications will require "Opt In" and once enabled provide our Broker partners with real time notifications as submissions work through the underwriting process.

We recognize that time is our most valuable asset and this new system will give Brokers peace of mind as they are updated at each critical stage of underwriting. For example, when terms are approved, subscribing Brokers will get a short text message notifying them of the approval and informing them that a formal quote will be sent via email. The goal of this new technology is to save Brokers time by alerting them of each important stage so that they never wonder where their quote is or when they can expect terms. Brokers can "Opt Out" at any time.

These notifications will be restricted to the current renewal or new business opportunity and end once the underwriting process has been completed. This technology is intended to be used solely for notification purposes and we will not use this platform for marketing. We will continue to send formal terms, policy documents and invoices via email.

To enrol in the SMS Notification program please contact your Signature Underwriter via telephone or email.
