## **Signature Risk Partners Inc Announces Launch of Signature Live!**

---

**TORONTO, CANADA - June 25, 2018** - Signature Risk Partners Inc., one of Canada's leading non-broker owned MGA's, is pleased to announce the launch of a new commercial insurance program called Signature Live!

Signature Live! will offer specialized coverage for Concerts, Festivals and Live Events and the program will be lead by Aerin Wilkinson who joined the Signature team in May.

The Signature Live! program is another example of our leading coverage programs for specialized niche industries in Canada. As with our existing programs we have built Signature Live! from the ground up with meaningful wordings that meet the specific needs our insureds. Insurance brokers will be delighted to see the addition of many unique coverages that were not previously available in a single package that will streamline the Event & Entertainment insurance process.

Ms. Wilkinson was formally a Senior Commercial Underwriter with a domestic insurer where she lead the Sports & Entertainment group. In her new role as Director, Signature Live, she will manage the development and launch of Signature Live! This new offering will be available in late July to all Signature brokers across Canada.
