Congratulations, Joe Hannigan

On behalf of the entire Signature Risk Partners family, we want to extend our deepest congratulations to Joe Hannigan on his retirement, effective August 14, 2026.

For nearly 12 years, Joe has been a cornerstone of Signature Risk Partners — bringing steady leadership, sharp expertise, and a genuine care for the people around him to everything he touched. But his story in this industry runs far deeper than his time with us: over 44 years dedicated to the insurance business, Joe has built a career defined by integrity, resilience, and an unwavering commitment to doing right by clients and colleagues alike.

Few people can say they've shaped an industry across four decades. Joe has weathered every market cycle, mentored countless professionals, and helped build the kind of trust that can't be manufactured — only earned, year after year. His fingerprints are on the culture we've built at Signature, and his example will continue to guide us long after he's traded his desk for the next chapter.

To Joe: thank you for your years of dedication, your wisdom, and your friendship. You've earned every bit of the rest, relaxation, and adventure that comes next. We're proud to have worked alongside you, and prouder still to call you part of the Signature family.

Congratulations, Joe. Enjoy this well-deserved milestone.
