Signature Golf Insurance Hits a Hole-in-One

TORONTO, CANADA - February 24, 2010 - Signature Golf, Canada's leading golf club insurance program, is pleased to announce that it is now offering an exceptional hole-in-one insurance package to its golf customers.

"After a year of incredible growth in 2009 we asked ourselves how we could further improve Signature Golf," said James Grant, President & CEO of Signature Risk Partners Inc. He continued, "We met with several of our customers and they told us that adding a deluxe Hole-in-One package would allow them to include high value prizes at their club and charity golf tournaments. After surveying the marketplace we created a competitively priced product as part of our package of leading insurance coverage that further sets Signature Golf apart from the others."

With Signature Golf Hole-in-One Coverage tournament organizers can offer up to a \$100,000 cash (or equivalent) prize to a qualified participant who makes a hole-in-one. This means that facilities can now include outstanding prizes such as luxury cars for their members and guests at properly sanctioned club and charity tournaments.

"We knew that other programs offered lower value prizes and we wanted to improve on this and give our customers the option of choosing the right prize for their particular event. In addition we have made the entire process of obtaining the coverage simple, secure and quick." said Grant.
