

FOR IMMEDIATE RELEASE

Policy Adjustment Fee Effective October 25, 2023

Please be advised that effective October 25, 2023 Signature Risk will begin charging a Policy Adjustment Fee (PAF) on all requested changes to existing and enforce policies that include a change in premium. This service fee will be 3.5% of the total premium adjustment.

This service fee is a reflection of the growing costs to operate our business while we continue to provide the highest levels of service and security to our Broker network and their insurance customers. Including a small fee on all endorsement requests will allow us to keep our Policy Issuance Fee low and only charge when a request for a change in coverage is made.

We will continue to invest in, and develop, best in class technology as we grow our relationships across Canada.
